Dyspepsia with Pills.

It is a great relief in expelling the Pitta, and a slight disease. Ointments or Liniments are useless, towards a cure. Peppermint Water removes the excess, by promoting digestion and preventing constipation, thereby nourishing the body through the blood.

BOSTON, Sept. 8, 1858.

For more than thirty years, have I suffered greatly from Dyspepsia and Piles. Have tried various medicines without benefit. In January, I began with the PEPPERMINT Water, and by the 10th of March, with a few cups of tea, a cure of both Dyspepsia and Piles. My general health is now all I can desire it.

AsP Suffers from Scrophularia affection, clean up Why wear your Plaques, Blotches, Ulcers, Sores?—Why have the life twisted out of you by Dyspepsia Rheumatism and Gout? Why suffer Syphilis and Mercurial diseases to rot the bones in your body, or the flesh of your bones? Why let your sluggish blood drag and scatter its discontents thorough your veins? Arsenic Coar. Extract of Sarsaparilla cures these complaints, and cleanses them out of the system. Use it faithfully and you bring to society a healthier, cleaner, and far more acceptable member.—[Democrat, Baltimore, Md.]
